**Subject:** Application for Frontend Web Design Intern Position

Respected Hiring Manager,

I'm writing to TIC Limited to express interest in the Frontend Web Design Intern position. I'm a driven and enthusiastic person with a background in computer science and engineering, and I'm thrilled about the chance to be a part of your vibrant team and work on actual web design projects.

I have honed my skills in HTML, CSS, and a variety of front-end frameworks during my academic career. I've successfully finished a number of projects involving the development of user-friendly, responsive interfaces. My attention to detail and comprehension of user experiences concepts guarantee that the websites I create have smooth functioning in addition to attractive visual design.

My main excitement regarding the opportunity at TIC Limited is the prospect of working with seasoned professionals and developing my abilities in a cooperative team setting. My career aspirations are well aligned with the mentorship and practical experience your internship provides. I'm really excited to contribute to initiatives that push the limits of innovative web design.

With my passion, technical expertise, and eagerness to learn, I'm sure I'll be a great addition to your team. I am excited to take on new tasks and am very versatile. Depending on how well I perform, I hope to be hired on a permanent basis at TIC Limited.

I appreciate your consideration of my application. I'm eager to talk about how TIC Limited will benefit from my experience, abilities, and certifications. I can be reached at **01738139909** or by email at **n.mahfuze@gmail.com** and am available for an interview as soon as it is convenient for you.

Sincerely,

Nagib Mahfuze Akib
